1978 OUTLOOK

The return of six of eight starters in the field and a pitching staff that includes seven seniors brings optimism to this season's Crimson Tide baseball program.

Newcomers are causing smiles, also. The Tide gathered a couple of fine prospects during the recruiting war and they should help fill any holes this year's team should have.

Let's look at Alabama this year in the field:

FIRST BASE: Sophomore Gary Jack returns. Jack started 17 games last season and hit .219. He is likely to share the position with last year's leading hitter, Maxie Kizzire (.323), when he isn't catching.

SECOND BASE: Junior college transfer Sal Valenti will fill here. He is potentially the best second baseman Alabama has had in quite some time. Tommy Smith will be his backup.

THIRD BASE: Three-year letterman Tommy Belk returns for his final year. Belk hit .310 last season despite missing 12 games with injuries. Dean Mooty, Belk's backup, hit .314 last season in his absence, however.

SHORTSTOP: Steve Houlberg returns for his final year and his spot is locked up. The 1979 team captain hit .310 last season with seven game winning RBI's.

LEFT FIELD: Two year starter Bellaire Riley will have his hands full fighting off a well Mark Salem. Salem, a senior, was a starter there his freshman year and part of his sophomore year before injuries caused him to miss action.

CENTER FIELD: Filling in for graduated Johnny Wright is no easy chore, but either Elston Howard or Tommy Andreadus will have to. Howard is the one with experience as he hit .230 last season in 36 games.

RIGHT FIELD: Salem may slide over to play here or freshman Bill Oakley may get the call. This position is up for grabs.

CATCHER: Leading hitter Maxie Kizzire returns here, but he can't match the catching talents of newcomer Dave Atkins. The pair will likely split doubleheaders with either seeing some action at first base.

PITCHING: The Tide returns its six leading pitchers from last season. Terry Asher leads the list with Bob Greenwald, Ben Flagler, Leroy Russell and Ronnie Owen right behind.

Mike Blount and Robert Dailey may also be helpful if arm injuries come around by the start of the season.

ALABAMA'S SCHEDULE may be a help this season. The Tide plays the first half of the SEC slate on the road, then hosts the last 15 games of the season. Should the Tide manage at least .500 on the road, it may be favored down the stretch.

HEAD BASEBALL COACH HAYDEN RILEY

Veteran head coach Hayden Riley enters his ninth year at the Alabama helm and he expects it to be one of his best ever.

Riley took over the Crimson Tide coaching duties in 1971 on the retirement of Joe Sewell and one year later had Alabama as a second place finisher in the Southeastern Conference.

His teams won-runner-up honors in 1973 and 1974 also.

Riley is a native of Guin, Ala. where he was born Sept. 14, 1921. He entered old Howard College (Now Samford) after his graduation from Marion County to active duty in World War II. After the war, he came to Alabama where he lettered in basketball and baseball.

He was a highly successful high school coach at Coffee High School before coming to Alabama to coach.

Riley is married to the former Lauranne Krudop and has a daughter and two sons.

ASSISTANT COACH DARRYL EVANS

Now in his second year as a Crimson Tide assistant, Evans will continue his duties of working with the infielders and outfielders.

Evans splits time between coaching and playing student and is very close to becoming a 38-year-old college graduate.

Evans was chosen by Riley in 1978 to fill the coaching vacancy left by Chuck Seegers (now head coach at Miami-Dade).

Evans was well known in Tuscaloosa area circles for his fine teams in American Legion play.

He is married to the former Sharron Luxich and has four children.

ASSISTANT COACH RICK TOMLIN

The newest member of the Alabama coaching staff is 25-year-old Rick Tomlin of Richmond, Va.

Strictly in charge of pitching, Tomlin will try to bring to Alabama the success he has brought other places.

He spent the past two seasons at Manatee Junior College in Bradenton, Fla. and as that school's pitching coach helped it to a pair of division championships and a third-place finish in Florida's Junior College Championships.

Tomlin played at Manatee and his pitching helped the school to the runnerup spot in the National Junior College Championships in 1972.

His next stop was Florida Southern where he pitched the school to the national championships in 1975.

He was drafted by four times while in college and finally signed with the Kansas City Royals after his graduation. He saw limited action with the Royal's farm clubs before deciding to try his hand at coaching.

TOMMY ANDREADES

OF

Tommy George Andreades
Born Sept. 21, 1956
Senior
6-2, 185
Bats right, throws, right,
Played for Leon Akins at
University Military School.
Hometown: Mobile, Ala.

Tommy was one of the biggest surprises in Alabama's fall practices and may have worked himself into a starter at one of the outfield spots.

He was redshirted last season after transferring from Mississippi State where he played in the outfield his freshman year.

Tommy played his high school baseball at UMS where he was all conference in baseball and football. He also received the school's Thoss Athletic Award for the senior who contributed most to the school's athletic program.

He lettered three years in baseball and had the highest academic average of any of UMS's athletes.

Tommy was the Crimson Tide's fifth leading hitter in the fall practices as he hit a sparkling .344 with one home run.

29

DAVE ATKINS

C

David Atkins
Born June 7, 1958.
Junior.
6-1, 200.
Bats right, throws right.
Played for Roland Atkins at
Austin (Decatur) High School.
Hometown: Sheffield, Alaa.

Seldom has a newcomer come to Alabama with so much hope riding on his shoulders. The transfer from Calhoun Junior College is expected to jump right in the catcher spot left by graduated Johnny Waters and give the Crimson Tide some power behind the plate.

Dave was a high school All-American before going to Calhoun and there he earned All-Region and All-Conference honors. His top single game achievement there saw him get 10 RBI's in one game as he slapped two grand slams homeruns and another with one man aboard.

TERRY ASHER

P

Terry L. Asher
Born Aug. 20, 1956.
Senior.
One letter.
6-3, 195.
Bats right, throws right.
Played for Hubert Lugo at Zweibrucken
(Germany) High School.
Hometown: Huntsville, Ala.

The Alabama baseball program has not had a surprise like it got out of Terry Asher last season in a long, long time.

A junior college transfer that had set out a season before last year, the relative unknown unleashed a knuckle ball curve that no one knew he possessed and ran up six straight wins before injuring his arm and losing the final tow.

He led the SEC in pitching for the first four weeks of the season and finished as an All-SEC Western Division performer.

Asher had a 1-1 record at Calhoun Junior College his freshman year and came back with a 7-1 mark as a senior. His team went 30-12 both seasons.

Asher played summer ball last year in the Tennessee Valley league and finished with a 16-1 record.

Thomas Darrell Belk

 Senior
 Three letters,
 5-9, 160.
 Bats right, throws right.
 Played for Doc Blanchard at
 Tuscaloosa High School.
 Hometown: Tuscaloosa, Ala.

Tommy will be right at home this year when he returns to his third base spot which he has occupied for the last three years.

He was off to another terrific start last season before breaking a collarbone against LSU and which forced him to miss most of the rest of the season. Nevertheless, he still finished as the team's third leading hitter with a .310 average.

"Mader", as he is known by his teammates, finished with six doubles, a triple and two home runs.

Tommy has been named to the first-team All-Sigma Chi baseball teams the past two years and should be a cinch to repeat in 1979.

The collarbone appears to have mended as Belk participated the Nash Carmichael Birmingham Amateur League over the past summer and finished with a .375 batting average.

Michael Lynn Blount
 Born Feb. 26, 1957
 Senior
 Two letters,
 6-0, 175.
 Bats left, throws left.
 Played for Doc Blanchard at
 Tuscaloosa High School.

Nagging arm injuries slowed him in 1978, but Mike has bounced back with a lot of hard work and should be one of the Tide's top relievers for the 1979 campaign.

Blount posted a sparkling 4-1 record as a sophomore two years ago, but fell to 2-2 last season after an elbow injury lingered on for the season.

Blount pitched 41 innings last season and finished with a 3.73 ERA.

Blount is one of five former Tuscaloosa High athletes with this year's team and will graduate after the season along with former high school teammates Tommy Belk and Tommy Smith.

Robert Marvin Dailey
 Born Oct. 10, 1956
 Junior
 6-1, 185
 Bats left, throws left
 Played for Phil English at
 Huffman High School
 Hometown: Birmingham, Ala.

Robert transferred from Mississippi State two seasons ago and was forced to sit out of baseball last year, but he is expected to be one of the top pitchers on the Alabama squad this season.

The hard-throwing lefthander was a standout at the always powerful Huffman High School in Birmingham and in 1975 led that school to the city championship. Robert was an All-City selection that year.

He was a three-year letterman in baseball and earned two monograms in football and one in basketball.

Ben Loomis Flagler
 Born June 21, 1957
 Senior
 One letter
 5-10, 165
 Bats right, throws right
 Played for Rob Hertler at
 Carol City (Fla.) High
 School and Manny Crespo at
 Miami-Dade Community College.

Ben came on strong during the S.E.C. stretch after getting off to a slow start last season.

He posted a 5-3 record for the season and finished at the Tide's No. 2 pitcher. He was also second in innings pitched (52.0) and led the staff in fewest walks with 11. He had 19 strikeouts on the year and finished with a 3.56 ERA.

Flagler transferred to Alabama last year after a two-year stint with Miami-Dade junior college. His junior year at Miami-Dade Ben pitched 107 innings and posted a 7-2 record to lead his team.

Robert Louis Greenwald
 Born Sept. 5, 1957
 Senior
 One letter
 Bats right, throws right
 Played for Pete Cavri at
 Stranahan High School
 Hometown: FT. Lauderdale, Fla.

Bob saw more action than any other Alabama pitcher last season as he pitched 53.2 innings on the way to a 4-5 record.

The junior college transfer from Broward Community College had control problems last season as he walked 46 batters, but it appears he got the problems worked out as pitched his team to the title in the prestigious Cape Cod League over the summer.

He posted an 8-1 record 2.80 ERA to lead his team in both categories.

Steven Paul Houlberg
 Born Jan. 1, 1957
 Senior
 6-0, 170
 Bats right, throws right.
 Played for Paul Comeau at
 Southwest (Fla.) High School.

Alabama's version of Charlie Hustle, Steve's hustling style impressed his teammates enough for them to name him team captain for 1979.

He may very well be the best shortstop Alabama has had since World War II and he is a preseason favorite for All-SEC honors.

Offensively, Steve hit only .310 last season, but that included seven game winning RBI's including a grand slam home run in the bottom of the ninth with two outs as he brought Alabama from three down against Troy State.

Defensively, he had 69 putouts with 112 assists. He had 12 errors on the year, but only two of them came on fielding, his others came on unbelievable stops and wild throws to first base.

Steve's game took on an added dimension this fall when Alabama signed Sal Valenti, a second baseman and former teammate of Houlberg at Miami-Dade. The two teamed up to led that conference in double plays that year and should be a threat to repeat the same feat in the SEC this year.

 Senior
 One letter
 6-4, 200
 Bats right, throws right.
 Played for Joe Cevino at
 Teaneck (N.J.) High School.
 Hometown: Teaneck, N.J.

The son of former New York Yankee great and present coach Elston Howard, Elston, Jr. is giving it a try in following in dad's footsteps.

He transferred to Alabama last season after a brilliant career at Miami-Dade junior college and became a starter in right field. He started 36 games last season and finished with a .230 batting average that included six doubles.

Elston had his best day against LSU last season as his three singles and a double drove in five runs to lead 'Bama to a 16-2 win.

Elston was tried as a pitcher during fall workouts and may see action there during the 1979 season.

 Born July 14, 1958
 Sophomore
 One letter
 6-3, 190
 Bats left, throws left
 Played for Gary Hardin at
 Sherman (Tex) High School.
 Hometown: Sherman, Texas.

Although Gary started at first base in 17 games last year, he was tried extensively at pitcher during fall workouts and will split time between the two positions this year.

Last year as a freshman he split time at first base with senior Dunn McKelvey and posted a .219 batting average.

He committed an error on the very first ball hit to him last season, then came back with 125 consecutive putouts and six assists without an error to finish the year with a .992 fielding percentage.

Besides being named All-District and All-Greater Dallas his senior year of high school, Gary also received his area's outstanding academic award.

Maxie Shelton Kizzire, Jr.
 Born Sept. 13, 1956
 Junior
 One letter
 6-2, 195
 Bats right, throws right
 Played for Doc Blanchard at
 Tuscaloosa High School.
 Hometown: Tuscaloosa, Ala.

Maxie saw his first action ever for the Crimson Tide last year and when it was over he was the leading hitter on the squad.

He somehow found himself out of a 0-13 slump in the first of the year and hit over .400 for the remainder of the season to end with a .323 average.

He began last season behind No. 1 catcher Johnny Waters and moved up to the top spot by mid-season. Waters suffered a broken thumb shortly thereafter and Kizzire was forced to handle all catching duties by himself including both games of doubleheader on many occasions.

Kizzire is expected to see duty at first base some this season when he isn't catching to take advantage of his hitting.

 Born May 14, 1958
 Junior

 6-0, 175
 Bats left, throws right.
 Played for Ronnie Burleson
 at Oxford High School.
 Hometown: Oxford, Ala.

Probably the most versatile of all Alabama players, Russell saw action in the infield and outfield last season.

The former high school All-American played in 16 games last season filling in for Tommy Smith at second base when he was injured and for various others in the outfield.

His own injuries kept him from getting unwound as he hit .125. Russell had a fine fall training period, however, and is expected to see plenty of action this year.

 Freshman.
 6-0, 180.
 Bats right, throws right.
 Played for Don West at
 Fairmont West (Ohio) High School.
 Hometown: Kettering, Ohio.

A sophomore with freshman eligibility, Dick was redshirted last season under the new NCAA rule allowing the redshirting of freshman.

He was All-Western Ohio his senior year of high school as he helped his team to a 21-10 record.

Harold Dean Mooty, Jr.
 Born July 19, 1957
 Senior
 One Letter
 6-0, 170.
 Bats right, throws right.
 Played for John McCants at
 Marion High School.
 Hometown: Marion, Ala.

Dean took over for injured third baseman Tommy Belk in mid-season last year and did well enough that three-year starter Belk was fighting to get his job back in the fall.

Dean finished the year as Alabama's second leading hitter with his .314 average in 20 starts. He also played a pretty-clean third base position considering he was switched there after beginning the season as a pitcher.

Mooty transferred to Alabama last season after a two-year hitch with Marion Institute junior college. There he was the National Junior College Athletic Association Region 22 most valuable player as well as team MVP.

William Joseph Oakley
Born March 3, 1959
Freshman
6-0, 175
Bats right, throws right
Played for Cecil Lagrone at
Bibb County High School
Hometown: Centreville

Bill was redshirted last season under the new NCAA rule allowing the redshirting of freshman and enters the season as a sophomore academically and a freshman athletically.

Only one of five outfielders listed on this year's Alabama roster, Oakley is expected to see plenty of action after having a fine fall practice.

He was a four-year letterman in high school as a third baseman and outfielder and was named All-Conference as a senior.

Ronald Edward Owen
Born Dec. 9, 1956
Senior
Three letters
6-4, 215
Bats right, throws right
Played for Buddy Anderson at
Vestavia High School
Hometown: Birmingham, Ala.

Ronnie drew seven starts last season and finished the year with an even 2-2 mark. He pitched 40 innings gathering 19 strikeouts along the way.

Ronnie's best day was against North Alabama last season as he pitched a one-hitter in a 10-0 shutout.

He was Alabama's No. 3 pitcher in 1977 as he posted a 5-2 record that featured SEC wins of 16-6 over Ole Miss and 12-5 over Auburn. He also went the distance in downing Southern Mississippi 8-1 and Ohio State 8-6.

Owen started three games in 1976 getting a perfect 1-0 record.

 Born Apr. 26, 1958
 Junior

 5-10, 155
 Bats right, throws right
 Played for Doc Blanchard
 at Tuscaloosa High School
 Hometown: Tuscaloosa, Ala

A starter as a freshman and a sophomore, Riley returns to defend his left position this season against some pretty stiff competition.

Bellaire took over for an injured Mark Salem his freshman year and went on to post a .212 batting average and became the only freshman to letter that year.

Last season Riley kept the left field slot to himself and raised his season average to .224. He had three doubles and a triple on the season and turned in four defensive putout assists.

Bellaire is one of five former Tuscaloosa High players on this year's Alabama team and is the son of head coach Hayden Riley.

 Two letters
 6-3, 185
 Bats right, throws right,
 Played for Bill Elliot at
 Bibb County High School
 Hometown: Centreville

Leroy is a scholarshiped basketball player, but will join the Crimson Tide baseball team once basketball season is over.

"Pickle", as he is known by his teammates, led his lightning quick fastball lead him to a 4-4 record last season and he led the team with 48 strikeouts in 48 innings.

He also saw action with the Tide in 1977 as he ran up a 1-0 record in four starts.

Leroy was selected by the professional draft his senior year in high school, but turned it down for the chance to play college basketball.

David Webb Tutt
 Born August 31, 1959.
 Freshman,
 6-0, 210.
 Bats right, throws right.
 Played for Jesse Little at
 Marengo Academy High School.
 Hometown: Nanfalia, Ala.

There probably isn't a sports fan in West Alabama who hasn't heard of this man. The four-year letterman in football, basketball and baseball won just about every possible honor in the West Alabama Region and Marengo Academy will be mourning his loss for years to come.

Webb never played in a losing football game in his life and more times than not it was because of him. He was equally as impressive in baseball as he won All-Conference honors and was named his school's MVP.

Tutt was only one of two first year freshman to make this year's Alabama roster.

Sal Anthony Valenti
 Born Sept. 26, 1955
 Junior
 5-10, 160
 Bats right, throws right.
 Played for Romero Parker at
 Willow Glen (Ca.) High School.
 Hometown: San Jose, Ca.

Alabama coach Hayden Riley got one of his best recruiting coups ever when he plucked Sal out of Miami-Dade junior college last season.

The handsome California native will play second base this year and join former Miami-Dade teammate Steve Houlberg (SS) in the infield to give Alabama a deadly double-play combination.

Sal hit .325 both seasons at Dade as his teams posted 40-9 and 17-16 records. He was a member of the all-State Tournament teams both seasons and named to the All-Southeast Tournament team his senior year.

Valenti participated in the tough Cape Cod league during the summer and posted some impressive stats. He hit .298, scored 31 runs and added 25 RBI's. Defensively, Sal teamed up with the shortstop to shatter the old double-play league record by some 21 putouts.

Ronnie C. Whorton
 Born Oct. 5, 1958
 Freshman
 6-0, 165
 Bats left, throws right.
 Played for Bobby Brackett at
 Cherokee County High School.
 Hometown: Centre, Ala.

Another freshman redshirted under the new NCAA rule last season, Ronnie enters the season on Alabama's No. 3 catcher and this youngster surely faces many bright days ahead.

Whorton was state All-Star with the North Squad his senior year of high school while winning the annual Balfour Award.

Mark S. Salem
 Born Feb. 26, 1957.
 Senior
 Three letters.
 6-2, 190.
 Bats right, throws right.
 Played for Ken Gonzales at
 John Carroll High School.
 Hometown: Birmingham, Ala.

No one has ever been able to explain what makes a batter go into a slump and Mark Salem is still wondering what happened in 1978.

The three-year starter hit .280 as a freshman, .324 as a sophomore, then fell to .138 last season. The talented left fielder got only nine hits in 65 at bats.

If fall practice is any indication, however, the slump is gone forever. Mark hit .315 during 14 practice games and appears to be his old self again.

Salem started 41 games for Alabama as a freshman, then missed half of 1977 with a broken hand. He still managed to hit .324 for the year and for the second straight year finished as the team's fourth leading hitter.

Michael Lawhon Shaw
 Born Jan. 6, 1960.
 Freshman.
 5-11, 170.
 Bats right, throws left.
 Played for Richard Franks at
 Hamilton High School.
 Hometown: Hamilton, Ala.

Although a freshman, Mike will likely miss the freshman redshirt year that is so popular now since Alabama will graduate seven senior pitchers this year and will need some experience returning.

Mike was a high school All-American last season as he led Hamilton to one of its best seasons ever. He was also named All-Conference and All-County. On the academic end, Mike was a member of the National Honor Society and a member of Who's Who in American High School's.

Mike had one no-hit shutout with 18 strikeouts last season.

Thomas Edward Smith.
 Born Oct. 19, 1956.
 Senior.
 Three letters.
 6-1, 175
 Bats right, throws right.
 Played for Doc Blanchard
 at Tuscaloosa High School.
 Hometown: Tuscaloosa, Ala.

Tommy saw action in a little over half of Alabama's games last season after being injured in a collision at second base in an attempted double play against Ole Miss.

He missed the last half of the season during the prime time of the SEC race and was missed dearly.

He hit .213 on the season and that included five doubles and two home runs in just 13 hits.

Smith saw action in 19 games at second base as a sophomore and duty in 17 contests at the same position as a freshman.

ALABAMA vs. NEW YORK YANKEES

GREAT MEETS GREAT

When Alabama played the world champion New York Yankees April 6, 1978, it was a rare chance for two greats of the sporting world to meet. Here Alabama football coach Paul "Bear" Bryant and Yankee slugger Reggie Jackson meet in mutual admiration.

LIKE FATHER, LIKE SON

Alabama outfielder Elston Howard, Jr. found the exhibition game as his first chance to compete against his father, former Yankee great and now coach with the world champions.

ALABAMA BASEBALL RADIO NETWORK

The University of Alabama Baseball Radio Network begins its third season this year with WACT radio in Tuscaloosa again originating the broadcasts.

WACT Sports Director Don Hartley will again do the play-by-play and most of the games will be carried on WACT's FM station. All SEC games, home and away, will be carried as will most of the non-conference contests.

The 1979 University of Alabama baseball press guide was compiled and edited by Mike Bolton. Any corrections, additions or deletions will be appreciated. Bolton may be reached at the UA Sports Publicity office at 348-6084 or at his home, 758-2024.
